

work from anywhere
that suits you best,
doing the hours that fit in with
your lifestyle

A great opportunity exists for those passionate about the way software as a service can change the way businesses work.

myworkspace is leading this change with its next generation online business management system.

Allowing businesses to:

- work from anywhere, anytime
- see a live complete view of their business
- easily share information
- integrate their whole business

myworkspace is looking for people who want to become part of our dynamic support network.

Helping businesses get started and make the most of using the myworkspace platform.

Looking for a *lifestyle with balance,*
freedom
and different experiences?

Want to be
part of the next generation of
business IT support?

"Software as a service"
is changing the way
businesses work
be part of this exciting change.

As a myworkspace approved support person you can work the way that suits your lifestyle, determine your own support income and build a recurring commission.

What would I be doing?

- Training people how to use myworkspace
- Attracting new customers
- Visiting businesses on site
- Interpreting business needs
- Ongoing client support

What skills do I need?

- Desire for success
- Great communication skills
- Understanding of key business concepts
- Customer focused
- To be a dynamic team member
- The desire to embrace technology

What will I get?

- Initial Training
- Ongoing Technical Support
- Online Support knowledgebase
- Training Material
- Marketing Material
- Certification - *myworkspace support Approved*

There is a great opportunity to build a business, supporting

myworkspace

an integrated online business management system

Covering:

- Contacts
- Sales Opportunities
- Website/Online shop
- eMail / SMS
- Products
- Documents
- Events
- Newsletters
- Customer Issues
- Projects
- Accounting
- Mobile Web Access
- Mobile Phone/PDA Synchronisation
- Directory Advertising

so how do I get started?

- Visit myworkspacesupport.com
- Call 1300 131 848 and talk to a Support Co-ordinator - they will be able to answer any questions you have
- Complete an application form and pay the getting started fee
- Complete the initial training
- Undertake certification assessment

Then what?

Once you are certified:

- We will work with you to set up a customer base
- Periodically update your training and re-certification
- Start enjoying the lifestyle you want!

"I was looking for a way to balance my family commitments with my worklife and being a myworkspace support person allows me to achieve this."

Cassie, CMV Computing

Leanne - "being a myworkspace support person has enabled me to build up my own business"

Mia - "Even though we don't all work in the same office (not even the same state!) I have enjoyed working within the dynamic team environment of myworkspace support"
